

Handling Property Tax Adjustments

Thursday, June 20
10:00 am - Noon
Interactive Online Training

Learn more about property tax adjustments, where they come from, the different types of adjustments, and how you can accurately process them.

Session will address value changes, PRE changes, Veteran's Exemptions, Poverty Exemptions, and personal property changes. We'll discuss how you can deal with these changes and proven methods to track adjustments. Session will include a demonstration on making adjustments in BS&A as well as letter templates you can use to communicate property tax adjustments.

Don't miss this opportunity to learn more about a topic that will be a useful addition to your skill set!

Presenter: *Mike Pettigrew, ACPFA, ACPFIM, MiCPT. Treasurer, City of Ann Arbor.*
